Major Interactional Activities with the Local Community

Yokohama Tire Shizuoka Hanbai Co., Ltd.

In November 2008, the company participated in the 6th Shizuoka Environment and Forest Fair sponsored by Shizuoka Prefecture. At a booth, while exhibiting the ecological tire "DNA Earth-1" for passenger cars and the "ZEN" for trucks and buses, employees entertained visitors with quizzes they had prepared themselves on the names of tires. In addition, in July 2008, 27 employees participated in a clean-up campaign at the Miho-no-Matsubara Beach – "Clean Appeal" – organized by the Shizuoka Idemitsu-kai.

Yokohama Tire Shizuoka Hanbai booth

Yokohama Tire Kanto Hanbai Co., Ltd.

In May 2009, the company exhibited at the "Nippon Sanwa ecopark 2009" in Maebashi City, Gunma Prefecture. Test-rides in an electric vehicle (EV) were offered and environmental quizzes were staged, with ecological goods awarded as prizes. In addition, 384 seedlings were presented to visitors to the booth.

Taking a ride in an EV

Yokohama Rubber MBW Co., Ltd.

The company participated in the Lake Biwa Environmental Business Fair 2008 in November 2008, exhibiting multi-functional elastic pavement material and the barrier-free grating material "Eco-Soft."

Mie Yokohama Tire Hanbai Co., Ltd.

In the tree-planting ceremony staged at the Mie Plant in May 2008, 27 employees participated. In June, 92 employees took part in a clean-up at Gotenba Beach, Tsu City, Mie Prefecture, which was shown on the news by Mie TV and Tsu Cable TV.

Clean-up at Gotenba Beach

Yokohama Tire Kanagawa Hanbai Co., Ltd.

The company participates in a campaign to collect waste tires along the Sagami River once a year, organized by the Kanagawa Tire Sales Outlets Association.

Yokohama Tire Kinki Hanbai Co., Ltd.

Joining groups circulating public notices in areas around the head office, the company shares information with the local community. In addition, employees clean around the head office for 20-30 minutes from 8 o'clock every Monday morning.

Yokohama Tire Tohoku Hanbai Co., Ltd.

The company's efforts to reduce waste and recycle cardboard boxes are highly evaluated and it has been recognized for three consecutive years as an "Eco-Niko Office" (ecologically sound office) by Sendai City. Our "eliminating waste campaign" was also taken up as a unique environmental activity in a pamphlet put out by Sendai City.

Yokohama Rubber MBT Co., Ltd.

As a member of the Sealant and Waterproofing Association of Aomori, the Hachinohe Branch of Yokohama Rubber MBT Co., Ltd., exhibited a recyclable container, the "e-can," at the "Better Living Fair" held at the Aomori Industry Center. MBT has been recognized as an "Eco-Niko Office" (ecologically sound office) for three consecutive years by Sendai City.

Kagoshima Yokohama Tire Co., Ltd.

Joining in the commitment to social service activities of the local Rotary Club, the company participates in the "Rotary Youth Leadership Awards (RYLA)" sponsored by the club.

Aomori Yokohama Tire Hanbai Co., Ltd.

In July 2008, the company cleaned Nogiwa Park in Aomori City together with the Yokohama-kai. About 120 employees and their families participated in the event.
